CARREFOUR INTERNATIONAL DU BOIS

30, 31 MAI & 1^{ER} JUIN
2018 NANTES
FRANCE
WWW.TIMBERSHOW.COM

3 days dedicated to the timber trade, the Carrefour International du Bois is without a doubt the **LEADING TIMBER TRADESHOW IN EUROPE**. Stands, innovations, business... **all the ingredients for a successful show!**

THE TIMBER TECHNIQUES AND SOLUTIONS AREA: THE HALL DEDICATED TO CONSTRUCTION WITH TIMBER

Part of the Carrefour du Bois, the Timber Techniques and Solutions Area groups together innovations and timber products for the construction industry, aimed at a public of architects, developers and contractors. The conferences are the finishing touch to all this hall has to offer.

PLEASE NOTE : These conferences are free and open to all visitors and are part of the Carrefour International du Bois.

A BADGE IS OBLIGATORY: so to gain access to the show and the conferences, order your free badge on www.timbershow.com/visitor.

Without an invitation, access to the show is 45 Euros VAT included.
